

Michigan Organization of Diabetes Educators Position Description

Liaison Positions With Other Organizations

- Purpose:** To create a liaison relationship between the Michigan Organization of Diabetes Educators (MODE) and other professional organizations with similar goals and interests to ensure effective, timely communication between the organizations regarding pertinent issues and activities.
- Appointment:** The liaison to MODE from other organizations will be appointed by the respective organizations.
- The liaison from MODE to the other organizations will be the Past President. It is the responsibility of the MODE liaison to initiate communications with the respective organizations at the start of her/his term.
- Responsibilities:** The duties of the position include establishing a mechanism with liaison organizations to communicate MODE positions/policies and disseminate information to the leadership/members of other organizations as needed (e.g., providing minutes of Board of Director's meetings, sending newsletters). The MODE Past President will present a summary of pertinent issues from the other organizations at each Board of Director's meeting.
- Assuming reciprocity from the respective organizations, MODE will allow them to display at MODE's continuing education programs without a fee and allow free attendance at the program for one person with the display.
